

Better Flooring and Wall Covering Solutions

## Carpet Sales & Installation Wall Covering Sales & Installation 100% Dry Carpet Cleaning

**Berkshire Services** focuses on the best possible solution for your project, while providing the customer service you need and expect. Whether your project requires Flooring, Wall Covering, or Carpet Cleaning, contact us today to see how we can help.

### Carpet Installation

Berkshire services will help you select the correct commercial-grade carpet for your property, insuring the highest performance, most durability and easiest maintenance for your budget. We offer flexibility in scheduling and installation to accommodate your property's needs.

Berkshire Services understands that in today's fast pace world companies may not have time for remodeling projects. So we'll help you get through your flooring project from start to finish by doing the following:

- 1.) Simplifying the selection of the proper product.
- 2.) Convenient scheduling that works for you, your staff and tenants.
- 3.) Installation that comes with great experience and customer service that you can only get from a company whose owners are involved in your project.

Berkshire Services will work with you and your staff, focusing on a seamless transition of the installation of your new flooring.

### Wall Covering

At Berkshire Services we offer Installation and sales of all types of wall coverings.

Our relationships with the industry's top manufacturers means we deliver competitive pricing and unique options to solve your individual property's needs. With experience installing wall covering in residential apartment buildings, healthcare facilities, assisted living facilities, schools, airports, offices and hotels you can count on us to get the job done on time and on budget.

Whether you are thinking of a whole new project, renovation, or simple maintenance, you can count on our services, work ethic, professionalism and experience.

### 100% Dry Carpet Cleaning

We aim to remove carpet cleaning from your list of aggravations and concerns. You'll be pleasantly surprised at how our maintenance programs will provide you safer, hassle-free Professional carpet cleaning.

Cleaning your building's carpeting with our 100% dry carpet cleaning system will preserve the life of your carpeting for up to 75% longer than traditional wet cleaning methods. With our dry carpet cleaning service you'll save money by needing less cleaning frequencies and because there is no use of water your carpets stay cleaner for a longer period of time.
